

OTTAWA AND QUEBEC SHUTTLE SERVICES

Air France and KLM offer customers a shuttle service between the cities of Ottawa and Montreal and between Quebec City and Montreal-Trudeau Airport, to allow them to connect with Air France and KLM flights to/from Montreal.

OTTAWA SHUTTLE SERVICE

This service is provided in comfortable buses chartered by Air France and KLM, operated by Keolis. Free onboard Wi-Fi and bottles of chilled mineral water are available. Each bus is equipped with toilets and washbasins.

- The service operates under an Air France or KLM flight number depending on the timetable. Timetables are available in the GDS.
- The code for Ottawa station is XDS.
- Customers must take care of their own baggage on the bus.
- The bus journey takes approximately 2 hours.
